

European Journal of
Economics and Management

CALL FOR PAPERS

(2014, Vol.1, No.1)

Authors are invited to submit theoretical and empirical papers from all disciplines in economics, management and business for the first issue of European Journal of Economics and Management (EJEM).

All submitted papers must be original, not been previously published or under consideration by any other publisher. All papers must be written in English.

EJEM aims to develop a journal that will appeal to academics and researchers working in the field, CEOs and managers of private and public companies, specialists and consultants, personnel professionals, policy makers and other interested in content of journal.

Therefore, we welcome papers that advance both theoretical and empirical research and improve understanding of current issues in area of economics, management and business. EJEM is a double-blind peer-reviewed journal which publishes original research papers.

EJEM provides a forum for researchers, academicians and practitioners to exchange information, knowledge and insights based on both theoretical development and practical experience.

EJEM encourage academics and practitioners to publish papers which focus on developments in the field of corporate governance as journal is dedicated to advancing of corporate governance phenomenon.

Journal publishes high quality papers of a multi-disciplinary nature and welcomes papers from all disciplines in economics, management and business.

Journal includes empirical, methodological and theoretical papers across the full range of economics and management disciplines, including:

- Economic Theory
- General Management
- Institutional Economics
- Corporate Governance
- Corporate social responsibility
